

The animal housing form is intended for the exhibitor to house a livestock project at a different address other than their residence. The project must be at the alternate address by the possession date of the exhibitor's project(s) and must remain at this address until move in day of the Seneca County Fair. The alternate address must be in close proximity to the member's address and must be approved by the 4-H Extension Educator and the Jr. Fair Coordinator.

Member's Name _____ Club _____

Member's Address _____ City _____

Member's Phone Number _____
