Club Officer Training

There will be an officer training for anyone who is an elected officer. This will include President, Vice President, Treasurer, Secretary, News Reporter, Recreation Leader, Health and Safety officer, etc. The training will be held on Monday, March 13 from 7-8:30 p.m. at Sentinel Career and Technology Center.

4-H Club Audits

Five clubs were randomly selected to be audited by the Seneca County 4-H Advisory Council. All clubs that were selected should have already received notification and more information in the mail and in end of the year club packets. The audits will take place following January 17, when secretary and treasurer books are turned into the office. This is a way to ensure all clubs are following the correct financial guidelines as suggested by the Extension Office. It will also protect the treasurer, club, advisors, and Extension Office in the case of any financial issues or challenges by others. Audits that do not pass inspection will require further investigation.

4-H Club Meeting Visits

Ten clubs will be randomly selected for a visit after the new year. The clubs that are selected will receive a notification of their visit. A representative of the 4-H Advisory Council will come to sit in at your meeting. 4-H Club visits are being conducted to help support and advise on club structure and observe how club meetings are ran. This is a way for us to help you improve meeting structure if need be and provide feedback. Once you have set your schedule of meeting times and dates for your club for the 2023 4-H year, please be sure to provide a copy to the Extension Office.

Seneca County 4-H Apparel

Ohio 4-H Week

Ohio 4-H week is March 5th-11th. Have you or your club celebrated 4-H week? This is a great time to represent Seneca County 4-H and spread awareness about this great organization.
