

Dear Advisor Judged 4-H member,

Please fill out this survey with one of the links below and indicate that you wish to be advisor judged. This will help us in knowing that we will not be expecting you at one of our county pre-fair judging days.

Morning time slots for all judgments: [Morning Sign Up](#)

Afternoon time slots for all judgments: [Afternoon Sign Up](#)

We appreciate your response in letting us know that you are going to have your miscellaneous project advisor judged this year. As a reminder, advisor judged projects are for a **grade and completion only**. **They are not eligible for any county awards or State Fair eligibility.**

Please contact your advisor to schedule a date/time for them to judge your project. Projects must be judged and score sheet(s) turned in by **July 17**.

Your club advisor will provide you with more specific information and rules and guidelines to follow for your project judging with them.

Once your score sheet is turned in no later than July 17, your grade will be recorded and your premiums will be sent directly to you. Premiums can also be picked up during the Seneca County Fair in the Jr. Fair Office.

### **Ohio 4-H Guidelines for In-person Meetings and Events**

Individuals and/or family members may not attend if they or anyone living in their household is experiencing any of the following symptoms: fever, cough, shortness of breath, loss of sense of taste or smell, or has been directly exposed (confirmed or suspected) to COVID-19 if they are not fully vaccinated.

### **Face Masks**

COVID-19 vaccinations are our best current protection against infection and a fatal outcome. Fully vaccinated individuals are not required to wear a face mask, however we strongly recommend eligible, but unvaccinated, individuals to continue to properly wear a face mask when social distancing cannot be maintained.

All other health and safety guidance is still in effect, such as physical distancing and sanitizing.
