2020 Run/Walk-a-thon Fundraiser
Benefiting Seneca County Junior Fair Board
and
The Parkinson's Foundation of Northwest Ohio

This year the Seneca County Junior Fair Board is hosting a Run/Walk-a-thon as one of our fundraisers. Our hope is that this becomes an annual event for our organization. The motivation is that we wanted to give back and raise money towards a good cause that will make a positive difference in the lives of those in our community.

Participants will be asked to receive sponsors. These sponsors can donate per mile or a flat donation. Money raised will support the Jr. Fair Board expenses and the Parkinson's Foundation of Northwest Ohio. The Parkinson's Foundation of Northwest Ohio is a nonprofit organization whose overall mission to “improve the quality of life of those affected by Parkinson’s Disease. They are dedicated to educate, provide support and services to local communities.

This event is open to all different athletic levels! Participants can either run or walk the course around the Seneca County Fairgrounds. T-shirts will be given to those who participate and raise at least $30.00 in sponsorship. Tee shirts will be awarded after participant turns in all funds pledged.

The Run/Walk-a-thon is scheduled for Sunday, April 19th, 2020 at 2:00 p.m. at the Seneca County Fairgrounds. Registration forms need to be filled out and turned in, along with your sponsor sheet, by Wednesday, April 1st. Forms can be mailed to the Seneca County Junior Fair, P.O. Box 756, Tiffin, Oh 44883, or put in the Jr. Fair Board mailbox located outside of the Jr. Fair Office door.

If you have further questions, please feel free to contact Emily Gilliland, the Junior Fair Coordinator, at ekgilliland4@gmail.com or myself at 21gabej@newriegelschools.org.

Thank you for your support,
Jenna Gabel
Junior Fair Board President
