Hello Beef Project Members and Parents,

Saturday, December 3rd 2016 from 8:00 a.m. to 10:30 a.m. at the Seneca County fairgrounds will be our steer nose printing and identification. This is for all market steers, market heifers, and dairy steers. We will need all exhibitors with their project animal. Exhibitors may bring and identify up to four animals. During this time, we will take your photo with your project animal, you will receive your project book, your animal will be nose printed, and if you intend on taking your animal to the Ohio State Fair; we will need to take a DNA hair sample and administer an EID ear tag. You must attend in order to be eligible to show at the 2017 Seneca County fair.

Sincerely,

Katie Cole
